## Prologue

The 'Mirpur Newsletter' presents update on the recent activities of Defence Services Command and Staff College (DSCSC). This 45<sup>th</sup> issue covers the important events between June 2025 to November 2025. It continues its efforts to foster communication between the present and the veteran 'Mirpurians'. This Newsletter, portray the ongoing academic and social events through meaningful photographs with short descriptions. It will stand as a memoir of the College's activities.

DSCSC is strongly committed to equip the course participants with knowledge and professional skills. With the motto "Knowledge is Power" in mind, our faculty members and staffs are committed for the development of the future military leaders. The college endeavours to widen the perspective of the course participants by organizing symposiums and lectures by numerous eminent guest speakers from home and abroad.

DSCSC equally emphasizes the personal and social development of the course participants. Considering the important role of the ladies in the military society, DSCSC arranged various enrichment programmes for the lady wives of the course participants through the Ladies Club. Games and sports, social activities and cultural programmes organized in the college offered a refreshing break for the course participants within the compact and rigorous training environment. The social and cultural events also fostered meaningful cultural exchange between the native and overseas course participants and their families.

We hope this publication will keep our readers informed and connected with the ongoing endeavours of DSCSC Mirpur. For more information, please visit our website at [www.dscsc.mil.bd](http://www.dscsc.mil.bd).
